OASiS

OASIS FURNITURE SDN. BHD.

Our mission is to be Reliable, Productive and Advance office furniture manufacturer with a comprehensive range of high quality products for the global market and to inspire the office environment with ergonomically and anatomically designed chairs where comfort in body, mind and soul are inspired.

OASiS SUPERB

WELL TRAINED
EMPLOYEE

Accredited with ISO 9001:2000, the Quality Management and Quality Assurance Industry Standard through total company's conscientious effort.

With the effective system, our employee has been trained systematically. Productivity and Quality has been ensured.

APPROACHING FOR
ISO 14001:2004

We are gearing up our efforts towards ISO 14001:2004 Environmental Management Systems.

We have been liaising with supplier that support us in this aspect, and we are holding firm on the reduce, reuse and recycle principle within our daily business practices.

GENUINE LEATHER

To make a premium chair, the leather we chose is always the premium.

The genuine leather we are using is the top grain leather, highlighted with consistent grain that offers extremely good yield.

UPHOLSTERY & SYNTHETIC LEATHER

We have various kinds of synthetic leather and upholstery for the chairs.

The multiple color is an option for all the chair to fit various kinds of needs

DETAIL & QUALITY

To ensure good quality and long lasting product, detail quality checking is applied.

To ensure the best of what you seat on, we care about the details.

We always make sure product is in the perfect condition.

ERGONOMICALLY DESIGNED

Design matters not only for aesthetic reasons but also for health reasons.

To reduce the chances of back injuries, fatigue discomfort, and improve legs blood circulation, we design the chair with related position proper back support and seat support.

KUBUS - A creation of
reconstruct the cube
design on the chair.

The design of backrest
is classical 4 cube with
diagonally different
color.

We recommend light
color such as light pink,
light blue, light green..
for the option to light
up the fun design of
the chair.
